

UP FRONT 86

8 March 2023

CONNECT GROUP

The Connect Group continues to meet in the Hub on Fridays from 10.15-11.15am for Bible Study.

ANNUAL GENERAL MEETING

This Sunday's service (12th March) will be followed by the Annual General Meeting of the congregation, which will include reports from the Kirk Session, the Congregational Board, and the annual accounts from the Treasurer.

COMMUNITY QUIZ NIGHT

Our next Quiz Night is on Friday 31st March in the Enterprise Hub at 7.30pm. The cost is £4 per person (including tea and biscuits).

Our previous three post-covid quizzes have been won by:

- the former Post Office Staff;
- a team from Falkirk plus Lisa Barclay;
- and the intergenerational Hutchison / Robertson team (family of Georgina, who designed our church Christmas card and helped a number of members while working for her Duke of Edinburgh award).

A team from the Christadelphians came a close second on the last two occasions, but, apart from Lisa, Murrayfield members have not exactly been distinguishing themselves in recent quizzes, although it has to be said that some have gone home with prizes – booby prizes! Maybe the night before April Fools Day is the time for a Murrayfield team to come good!

INDOOR WALKING GROUP

The Indoor Walking Group is still marching on every Monday and Friday at 4.00pm. For details of how to join, speak to Jean Hastings.
